A Marriage Workshop: Love and Friendship for Life-Long Marriage

Couples whose marriage flourishes do the following well: they manage their conflicts gently; they invest in nurturing their love everyday; they practice forgiveness; and they set aside time regularly for intimate conversation.

Doug Hinderer, MA, LMFT

Doug received his Master's Degree in Marriage and Family Therapy in 2017. After several years in private practice, he now hosts the show "Marriage Unhindered" on Relevant Radio, Monday through Friday at 5 PM CT. He maintains a limited private practice in which he provides tele-therapy throughout Illinois. He speaks frequently on a variety of topics pertinent to marriage.

Doug has just released the book "Rekindled Hearts: A Spiritual Journey to Marital Healing", published by Scepter Publishers. He has been married to his wife Shirley for 45 years. They have 9 children and 10 grandchildren.
