CLUB ANVIL

FOR 6TH, 7TH, & 8TH GRADE BOYS

Club Anvil forms 6th, 7th, and 8th graders in an atmosphere of **freedom, friendship, and fun**. In this crucial transition-age before high school, the boys develop their freedom to **choose the good** on their own initiative. They learn to live **friendship with generosity**, as an act of service rather than self-satisfaction. They learn to have **active rather than passive fun** that is demanding, engaging, and creative. Each club meeting includes time for **sports, prayer, intellectual activity, a virtue talk, and dinner**.

Schedule

Twice monthly: Fridays, 3:30 – 6:30 pm

6th, 7th Grade Anvil: 1st & 3rd Fridays

8th Grade Anvil: 2nd & 4th Fridays

Membership

In order to participate in Club Anvil, boys must personally desire to be part of the Club, to pursue its aims, and to be **challenged to grow as virtuous leaders**.

Anvil Dads

Once a month dads are invited for pizza and camaraderie from 5:30 – 6:30. We'll listen to a short podcast about fatherhood and then hash out our thoughts on it until it's time to drive the boys home.
